

Welcome to the August Newsletter.

Juniors

The Under 15s have now finished the league season, as the table stands they finished 10th with 3 wins and 5 defeats. Matt Wardle leads the way in runs scored and highest average with 247 runs in 7 knocks at an average of 82.33, with Alex Eaton 5th in the averages. Matt and Tommy Smith both registered hundreds, there were only 2 scored in the whole of the league. On the bowling front we were slightly less successful but still had 4 lads in the top 20 wicket-takers, Tommy and Alex are joined by Ben McKie and Matt Furness.

The Under 13s have a few games remaining and Alex will be looking to continue his run of unbeaten 30's, currently 9 in the last 10 innings and he is now the leading run scorer in the whole league. James Semple, who recently made his 4th XI debut, is the sides leading wicket taker.
